

# YEARBOOK BABY ADS

for the  
Class of 2020

We have a new publisher and you are now able to create your ad online, and we also still have our same trusted graphic designing mom helping us out for those of you who need assistance. **Please note that the yearbook staff reserves the right to alter the fonts and background colors on ads to maintain a cohesive look throughout the book.**

The yearbook staff has selected the fonts and color palette for this year's book, and we ask that if you choose to design your own ad, the same style can be incorporated into your ad. All ads will have the student name in the font Yours Truly and other text in Chantilly (***we will adjust this for you on all ads created using the link below***). All text should be Black and aside from any photos, the only colors used on the ads should be R141-G129-B175 and R183-G176-B205 (fonts are available here: <http://bit.ly/SeniorAds2020>).

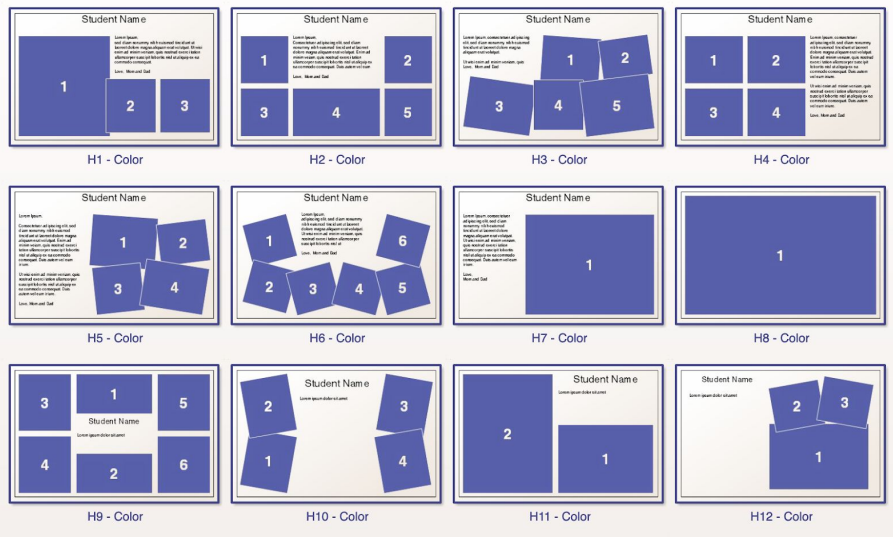

Start digging through those baby photos and start dreaming up the words that you will submit. **Prices go up October 1 and space is limited**, so order your ad now. You can also create your ad online at [jostensadservice.com](http://jostensadservice.com) ([this link](#)) and if you need help, please reach out via email to [babyads@presentationhs.org](mailto:babyads@presentationhs.org)
