

## PRESENTATION HIGH SCHOOL

Since 2018, Presentation High School has taken many steps to create a healthy and safe environment for its students and to ensure a culture of transparency and accountability. Actions include:

- Making significant changes to school leadership, including hiring a new President;
- Creating the Office of Prevention of Student Bullying, Harassment & Abuse;
- Launching a new app-based reporting program which allows students to easily report any concerns;
- Enhancing and conducting mandatory reporting training for all staff twice per year;
- Implementing new policies and procedures around bullying, harassment and abuse, and boundaries related to faculty and staff-student relationships;
- Applying updates to the school's Student Wellness Program to include student safety, focusing on healthy relationships, dating and how to spot abuse; and,
- Hiring General Counsel to provide legal advice and guidance.
